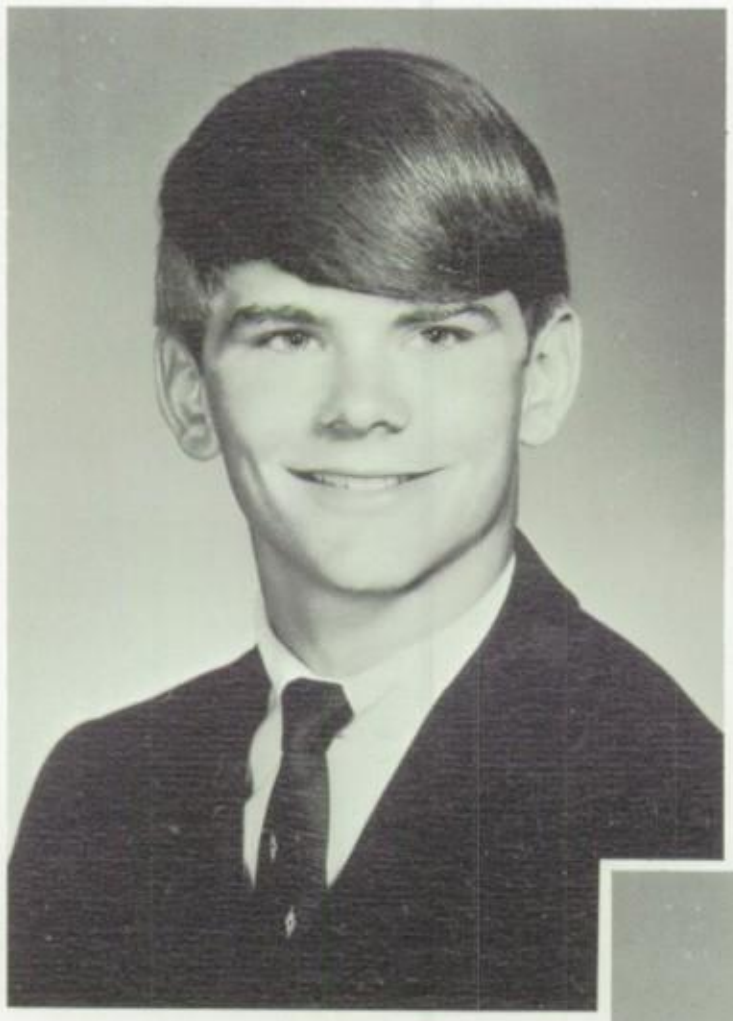
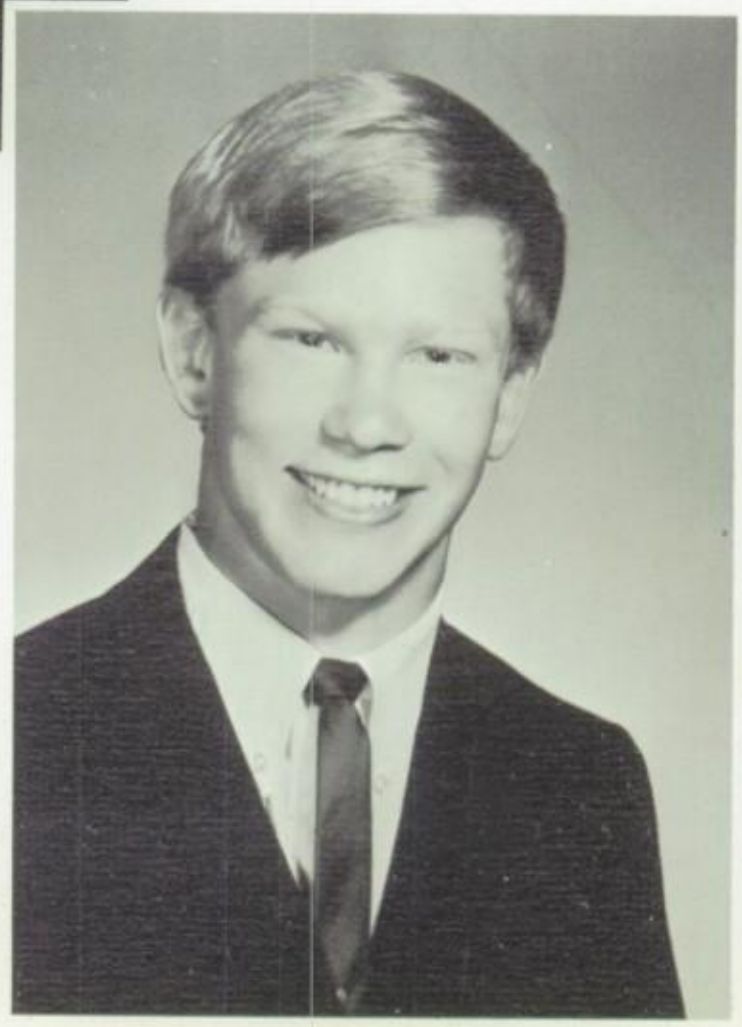
ACADEMIC EXCELLENCE





Academic excellence is properly the goal of any community of learners. Such excellence has been achieved by Rhoda Walter, Valedictorian, and James Detzel and David Meehl, Salutatorians. Through study, discipline, and, foremost, a keen sense of responsibility, these scholars are an inspiration to those within our community who strive for self-improvement.

SPECIAL

NATIONAL HONOR SOCIETY

The strongest boughs, the most memorable moments on the tree of time are brought back in this section. This is the glamorous, almost fantasy-like side of the year where all is roses. It is here that we see kings and queens, the Senior Play, and even a "Touch of Fantasy."

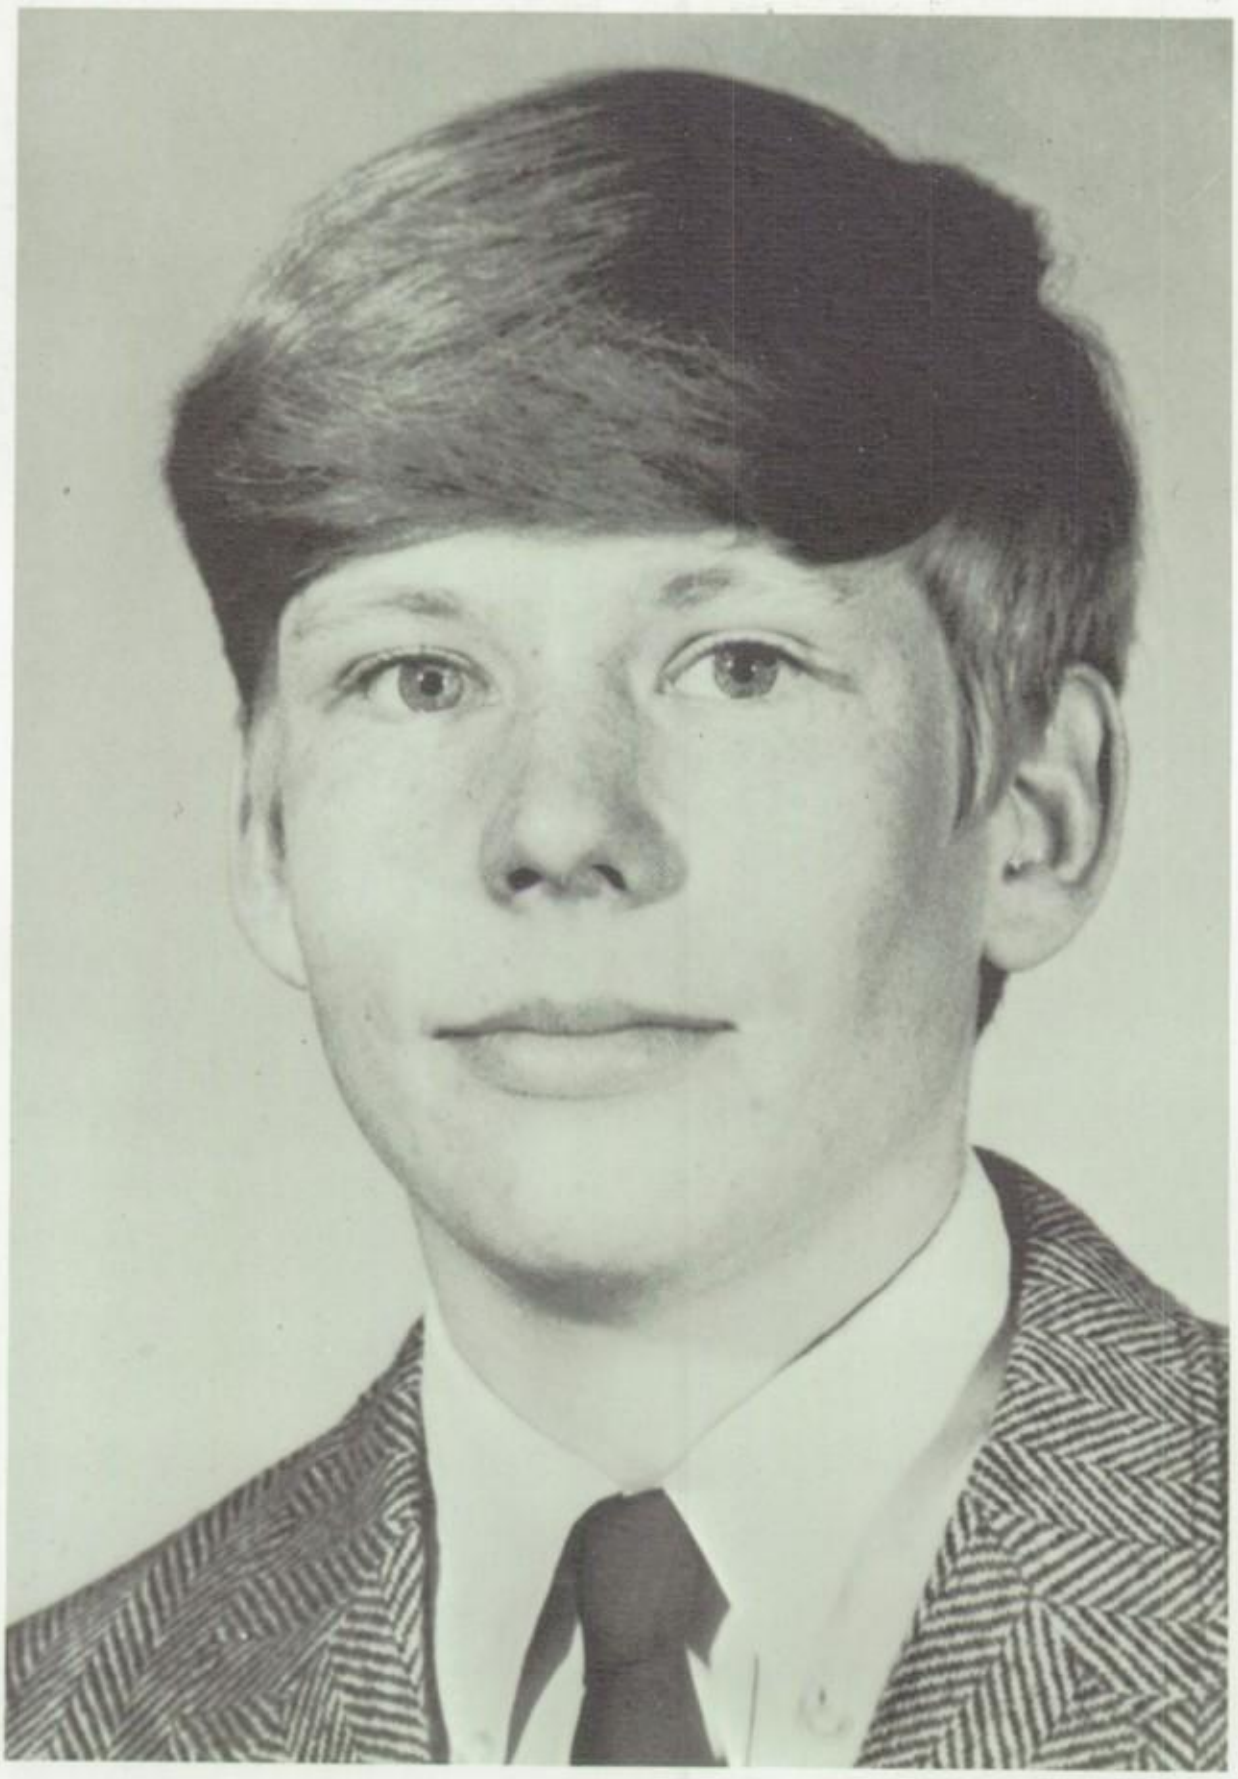
In Memoriam



J. CRAWFORD HOLZHAUSEN
1949-1967

During the summer of 1967, the Faculty and Student Body of North East High School experienced much grief at the tragic loss of Crawford Holzhausen. A fellow classmate and a friend to each of us, Crawford was well known for his big smile and cheery disposition. He was fun loving and fond of sports, especially those centered around the lake. Although he is no longer with us, we, the Class of 1968, will long remember Crawford's seventeen years.

SENIORS

We, the Graduating Class of 1968, have had many experiences together. Some have been good, some bad, and some indifferent. However, they will all remain in our memories as a tree stands in the forest, unchanging in a changing world.

Guidance

Mrs. Marjorie Sceiford

Mr. Matthew Hamilton

Mental abilities tests, achievement tests, College Boards, and the National Merit Scholarship Qualifying Test are under the supervision of the Guidance Department. Group guidance periods are held during English classes to provide information on college selection and application. The seniors are counseled on college or work choice; inquiries from prospective employers concerning senior employment are also handled in the Guidance Department. Graduates are welcome to return any time to use research materials or for counseling.

North East High School
1967-1968

Dear Seniors:

North East High School has been your "home away from home" for the last six years. We, like your parents, have watched you mature from the uncoordinated, gangling seventh grader to the more mature and adept senior. We have watched with interest your development; we have tried to make your educational experience as meaningful as possible. We will continue to watch as you make a place for yourself in our democratic society. We are proud of you and your accomplishments. Your class has been aggressive and dependable. We have seen academic accomplishment and athletic success. We wish for you continued good fortune and we will be happy to visit with you any time you can visit us.

Sincerely,

Donald G. Claypool
Principal

Dear Senior,

You have just passed through some years and experiences you will remember always. They are experiences that will never be forgotten, even though apparently more significant things yet to come your way will be omitted from your memory of treasured events.

Your school day pals and the old gang and the things you did together will help you recall the "happy days." You will think about your very first date and maybe the football game you saw. In a special corner of your memory, you will place the prom and dancing with your favorite date and the eventual good-night kiss. All these things you will treasure.

But, I urge you treasure most, the memory of valued things, the things which gave true meaning to your life. Among these, I consider three as being most important. First, cherish the memory of Mom and Dad and all the tender love and care they gave you. Never forget they lived for you. Next, I want you to remember your Church and the people within, those who directed you down the path of Christian life. Finally, I hope you keep a place in your heart for your North East Schools. Remember that your teachers really cared for you and helped you toward a richer and more meaningful life.

Congratulations to you on this very significant occasion, your graduation.

Sincerely yours,

George A. Maines
Supervising Principal

DEDICATION

To the 1968 North East High School graduates, Mr. Gordon Edwards is more than a teacher and more than a friend. He was that necessary spark and reassuring smile that enabled us to navigate as seventh graders. As we grew, he became to us, the man of lively discussions as he led us through American History and Public Speaking. He is "Mr. Ed," the never tiring Debate Coach, bubbling with enthusiasm. To you Mr. Edwards, in appreciation of your high ideals, hard work, and endless patience, we dedicate this, The 1968 *Aquilo*.
